About Us

PocketLawyers is Africa's first fully integrative legal tech startup that offers access to affordable premium legal services and solutions to SMEs and Startups.

www.pocketlawyers.io

We are in the business of ensuring legal and financial inclusion by simplifying legal services and solutions to the problems Entrepreneurs face everyday on their journey. The need for legal documentation in everyday life and business cannot be overemphasized. Since 2020, we have been bridging the legal gap and fostering seamless business transactions in Nigeria and across Africa.

We are strongly committed to promoting inclusion, breaking legal barriers and changing the age old legal narrative. We are about dispelling the notion that Lawyers are inaccessible and legal services are out of the financial reach of the average business owner.

This is in key fulfillment of goal eight of the global goal for sustainable development to make sure everybody gets the benefit of entrepreneurship and innovation and goal sixteen access to justice and legal representation.

Together with our team of energetic, forward thinking, young Professionals, PocketLawyers is building a roadmap to the future of how legal services should be offered and we are fixated on delivering on this promise. We aim to deliver value by staying abreast with current and all developing technologies and in order to be a distinguished industry contributor.

Our Vision

To become the virtual firm of first choice for accessing legal services and solutions by business across the World.

Our Mission

To demystify, simplify, democratize and quicken access to legal services and solutions

Our Core Values

**Simplify**

We are building the future road map of how legal services will be offered.

**Accessibility**

Our major goal is to demystify and democratize legal services and solutions by removing the barriers of entry to foster accessibility

**Lead Innovation**

Act quick, move fast, break things, grow quicker! This is our motto! We generate solutions based on feedback, iterate and iterate again! We will constantly challenge ourselves to innovate and break glass ceilings;

**We win together**

We are poised to create shared value via innovative technology, superior quality, value and service to our clients, colleagues and communities; we believe in growing and winning together

**With Speed and Agility**

Because we believe time is life! We have resolved to continuously crash turn around time for services offered to become the industry leader. Increased speed is at the heart of our operations as we challenge the status quo

**Client is King**

Literally!! They are at the heart of everything we do!

**Inclusion**

We believe that with this simplification, demystification, speed and lower barrier entry, a lot more business owners will make legal services a core part of their business practices and processes;

**Integrity**

Act with uncompromising honesty and integrity in everything we do. We build trust through responsible actions and honest relationships. We are trustworthy and act in good faith.

**Accountability**

We take ownership and responsibility for our action and inactions.
